

PHOENIX NATIONAL STUD

Georgeo II

Georgeo is the best coloured jumping pony stallion standing at public stud in the UK. He is a beautifully and evenly marked skewbald, bred in Denmark from top class competition bloodlines. Georgeo started his show jumping career as a 5 year old, where he rapidly jumped up through the grades to be winning Foxhunters before he was 6 years old.

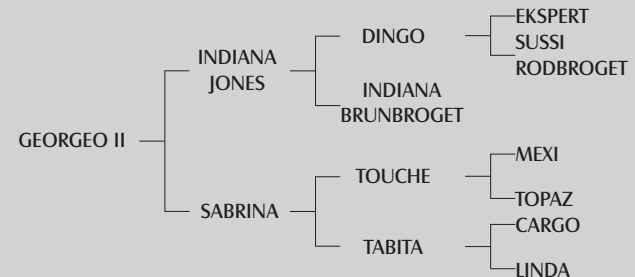

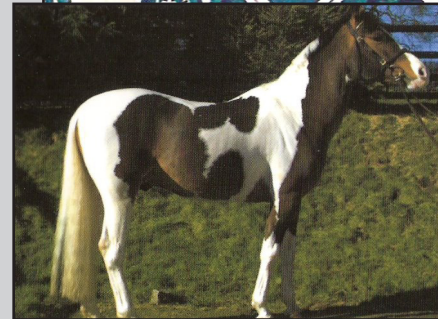

He was ridden by Ellen Whittaker, the now leading lady rider in the UK. Together they jumped Internationally, representing GB in Europe, they qualified for HOYS Paul Fabs, by the end of 1998 Georgeo was JA and awarded Silver Disks with the BSJA, making him No1 coloured show jumping pony in the UK.

Georgeo is a straight forward, snaffle mouth ride and a true childs pony. He has an amazing technique over fences and will turn himself inside out not to touch a fence.

Georgeo is a quality choice as a sire of Sports Ponies for all disciplines, Georgeo was graded with CHAPS in 2002, he received 4/5 for temperament and 8/10 for jumping technique. He was awarded Elite Status for Performance and was also Approved with AES in 2007.

Available by Natural Service or AI.
